SHE'S LOOKING FOR A HERO

A man who's strong, self-reliant, courageous. An adventurer. A man who'll respect and cherish the woman in his life.

Olivia Woodbury doesn't think such a man exists -- not in the twentieth century, anyway.

Is that why she suddenly finds herself in 1847? Is Eben Chapman -- the rugged frontiersman who comes to her rescue -- the man she's been looking for?

And the biggest question of all: Can a man like Eben ever make a place for himself in Olivia's world, the world of the 1990s? Would he want to?
