When Jude Colter advertised for a ranch hand, she hadn't expected to hire someone so...good-looking or so sexy. Still, she needed help, and Chase Sutton needed a job. Trouble was, his story didn't quite add up, and Jude suspected Chase wasn't really the cowboy drifter he claimed to be.

Sleeping in the bunkhouse, rising before the sun, and doing chores wasn't exactly Chase's style. Then again, neither was keeping his hands off a desirable female like Jude Colter. But Chase knew darned well that Jude wasn't the innocent woman she pretended to be. And it was his duty to expose her secrets.
